HOOKS PRESSES DRIVE FOR BLACK ECONOMIC PARTY

JACKSON, MISS., --Benjamin L. Hooks, executive director of the NAACP, said the organization is "determined to announce to America that no matter how large or small the economic pie is in America, we are moving to get our share."

Mr. Hooks' remarks were made at an NAACP press conference during the celebration of the Supreme Court decision of July 2, which freed the organization from a $1.25 million lawsuit filed in 1969 by Port Gibson, Miss., merchants.

The NAACP's new focus would be in "closing the gap" between median black and white family incomes and decreasing the "alarming" percentage of black unemployment, Mr. Hooks said.

As a result of a recent pact with Edison Electric Institute (EEI) and the American Gas Association (AGA) , Mr. Hooks said that Mississippi Power and Light and other utility companies across the country would be targeted for similar agreements. He said the agreement with EEI and AGA was a "valuable first step toward a greater minority share of jobs and contracts" in the utilities industries.

Leading the effort to obtain future agreements would be Fred Rasheed whom Mr. Hooks introduced as the new director of the NAACP Fair Share Program, which is an affirmative action program. Assisting Mr. Rasheed will be L.R. Byrd, who was named as the program field director for the southeast Region.

In addressing the political implications of the Supreme Court decision, Mrs. Margaret Bush Wilson, NAACP board chairman, said that "Claiborne County is the best example of how effective a selective buying campaign can be in changing the nature of the County."

William F. Dippolito has rejoined the Annon W. May Law Firm in Tacoma after his absence of 14 years, during which time he was "Real Estate Law instructor at the Linn-Benton Community College in Lincoln City, Oregon," according to Dippolito.

Born and raised in Tacoma, he said, "I received a BA in Business and a LLB (Legum Baccalaureus) from the University of Washington." He practiced law in Tacoma from 1956 to 1968.

Dippolito will now operate a "general practice of law with emphasis in personal injury action," while with the May Firm. And in the near future he hopes to realize a duel or interstate practice between Washington State and Oregon.

NAACP CELEBRATES BOYCOTT VICTORY WITH RALLIES, MARCHES, ETC.

JACKSON, MISS., --NAACP representatives from across the nation went into the small town of Port Gibson on Thursday, July 29., to celebrate a victory of freedom. It was a victory that came 14 years after local white merchants filed a $1.25 mill;on suit against the national NAACP and more than 100 local residents who had participated in a boycott against their stores.

Now, the weight of the ominous judgement had been lifted by the U.S. Supreme Court freeing the properties and bank accounts of many of the local defendants as well as the national NAACP of any responsibility for conducting what was allegedly an illegal boycott. So, in a manner befitting the historical nature of the occasion, the townsfolk celebrated.

The high point of the day-long program in Port Gibson was the mass meeting that night in the First Baptist Church sitting at the entrance to the town square. The First Baptist Church was an appropriate place for the program to end, for it was there in 1969 that local white policemen fired shots into the midst of a packed protest meeting, killing a black resident.

The merchants filed suit for $3.5 million in damages as a result of a series of earlier boycotts and the demonstrations that resulted from the killing.

The mass meeting in the church became much more than a celebration of the Supreme Court's judgment. At mid-point in th program, young relatives and assosciates of 34 deceat o residents who were leaders of the civil rights struggle in Claiborne county, lit candles in memory of those who were no longer alive. Port Gibson is the county sent of Claiborne county.

MINORITIES AND WOMEN HIT HARDEST IN FEDERAL JOB REDUCTIONS

The Congressional Federal Government Task Force announced in a recent report that minority and women employees in upper-grade positions have been hardest hit in the government's reduction-in-force chair, said that minorities have fared worse than women in absorbing a disproportionate number of RIFs.

The task force reported that to date minorities have been RIFed at a rate of about fifty percent greater than non-minorities. Both women and minorities in GS-12 and above levels suffered RIFs disproportionately to men and non-minorites.

PROVERBS 24, 1-5

MORAL VIRTUES AND THEIR CONTRARY VICES

BE not thou envious against evil men, neither desire to be with them.
For their heart studieth destruction, and their lips talk of mischief.
Through wisdom is an house builded; and by understanding it is established:
And by knowledge shall the chambers be filled with all precious and pleasant riches.
A wise man is strong; yea, a man of knowledge increaseth strength.

LOVE IS NOT EVERYTHING

Love is most everything, Yet, not quite enough, To build ones hope upon, On this disturbing earth.

Love can be wonderful, And yet, full of pain, Its not everything, That one must lose or, gain.

Love is the inner beauty, That nature has brought about, Just waiting their to be reveal, The warmth that ones must feel.

Love is a peace of mind, When all others have failed, Yet, too much of it, will take us to our graves.

Love is not love alone That we must hold too, Faith will keep us strong, When our days on earth are through.

Ernest White

BLOOD THICKER THAN WATER

Behold my relatives; Conceived in sin, But beheld the Blood-born Of my Spiritual kin.

This family is Royality, One can not join, But with that same Blood type Ye must be born.

Our Father mistakes not; His, He confess, For they all do past That Royal Blood-test.

Blood thicker than water, Blood beyond rare; where our Father In authority declare.

Behold my relatives; Conveived in sin, But behold the Blood-born Of my Spiritual kin.

AL Davies Boy's Club

RODNEY CLARK

The Al Davies Boys' Club is on the move, organizing the fall program schedule. The new Director, Elmer Dixon, has his hands full to provide funding, uniforms and participation in all phases of the club's operation. One of Mr. Dixon's main purposes will be to find sponsors for football, wrestling and cheerleading. The kids are looking forward to participating in an outstanding program that is building to perfection. Mr. Dixon is asking for the community to continue to support the Al Davies Boys' Club. The club still needs persons interested in coaching tackle and flag football. Anyone over 18 is eligible to apply for a coaching position. Experience is preferred, but we will train.

The baseball teams are wrapping up a learning season. All four teams showed potential into building new franchise in the ball park. The only thing our kids need is support from parents, relatives and friends. Tacoma has some of the best talent under it's nose and it is time for everyone to come and SEE what their kids are doing.

The Al Davies Boys' Club wishes to thank Carolyn Gore, Christine Bell, Keith Barrett, Chester Rogers, Dave Evans, Rudy Webster and Robert Hooks for their coaching attributes to the baseball program.

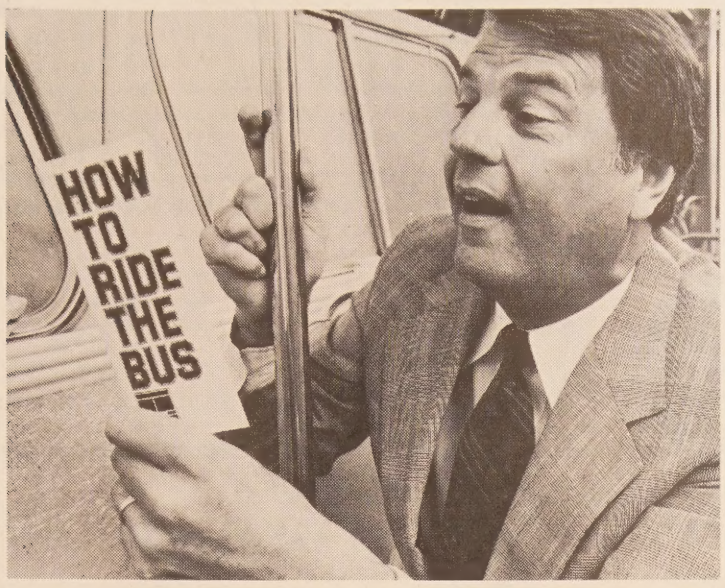
Wrestling it beginning to reach some of the ears in our neighborhood. YES, Al Davies Boys' Club is building a wrestling team for boys from kindergarten through 6th grade. We need 60 guys to complete a full team. Wrestling Coach, Mike Salcido, says wrestling sign-ups are going real well and he thinks the Boys' Club will build a very competitive wrestling squad. Mr. Salcido is a 12 time California State Champion, NAIA District Champion and Pacific Northwest Greco Champ.

Girls in grades 5 through 8, here's your second chance to try out for cheerleading. Captains Tessie Warren and Nelita Melton were selected in the Spring to lead a group of thirty cheerleaders to support the three boys tackle football teams. Anyone interested should call 383-2731, extension 27 as soon as possible.

The Al Davies Boys' Club, which is located at South 17th and Grant, will be closed August 16 to August 28 for programming and maintenance. The office will be open to take volunteer applications for football coaches, basketball coaches and general volunteer work.

There will be a community car wash on the Al Davies parking lot on Saturday, August 28 from 11:00 a.m. to 6:00 p.m. The cost will be $2.00 per car.

Free riding lessons



If you don't ride the bus regularly, you're probably passing up some big cost-savings and lots of convenience.

Pierce Transit has just what you need to start catching the bus. It's called **How to Ride the Bus,** an easy-to-follow guide that takes you step-by-step through a typical bus trip. It tells you who to call for help in planning your trip. How to read the bus schedule and where to get one. What the fare is.

How to tell the driver you want to get off. How to transfer from one route to another. Where to buy monthly passes. And everything else you need to know to make you feel comfortable riding the bus.

To get your copy of **How to Ride the Bus,** call 593-4520. It's guaranteed to make you right at home with the bus.

STATES, REAGAN AT ODDS ON NEW FEDERALISM PLAN

WASHINGTON - The nation's governors have failed to reach agreement with the White House on President Reagan's much heralded New Federalism plan, Vermont Gov. Richard Snelling, chairman of the National Governor's Association, said yesterday.

"The governors cannot support a plan that fails to provide for the medical needy, discourages adequate state welfare assistance or ignores differences in state burdens," Snelling a Republican, said. He called on the governors, whose three-day summer conference in Afton, Okla., opens today, to develop their own legislative proposals for an exchange of federal and state responsibilities.
